

**SAC-NAVHDA Handler's Clinic**  
**May 19 - 20, 2012**  
**Ganeesvoort, NY**

The Handler Clinic is an educational tool developed by NAVHDA to help dog owners and handlers understand the testing system. During the two day clinic weekend, participants experience all aspects of a Natural Ability, Utility Preparatory, and Utility Test. The first few hours of each day is devoted to informal classroom instruction. There is discussion of Test mechanics, the scoring system and NAVHDA philosophy. *Who Should Attend?*

People with their first pup see how other dogs work and gain insight into what their pup is doing and why. This helps them to develop their pup's talents and improve performance in weak areas.

Novice handlers learn how NAVHDA evaluates versatile dogs, and are better prepared to handle their dogs in a test.

Experienced handlers gain a deeper, more technical knowledge, of how the team of dog and handler are judged.

Breeders learn what to look for in their breeding stock and their progeny, and how to use NAVHDA records obtained through the Test Information System in selective breeding.

For aspiring NAVHDA Judges, attending a Handler Clinic is one of the first steps in our Apprentice Judge Program.

More info or questions: Kira Lajeunesse [kira.lajeunesse@gmail.com](mailto:kira.lajeunesse@gmail.com)

Cost: \$125.00, includes lunches & rule book. (non-refundable) Limit: 20 people. Sign up early!

Checks made payable to: SAC-NAVHDA

**Mail to: Kira Lajeunesse**  
**110 Circular St.**  
**Saratoga Springs, NY 12866**

This is a two day event. You must attend both days in order to receive credit for attending. This is not a clinic with your dog. You will be evaluating other dogs to better understand the NAVHDA system.
